

Team Kata Registration

Landvetter Kata Open 2026

Categories – Team Kata

Each category can be changed at the day of the tournament depending on the registrations per category.

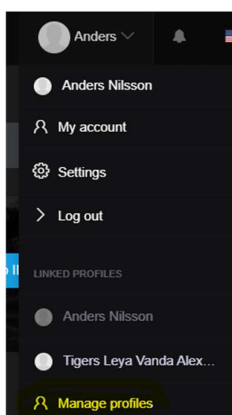

Group	7-15 Years	16 Years and up
Team Kata 7-15 years	X	
Team Kata +16 years		X

Registration and fees – Team Kata

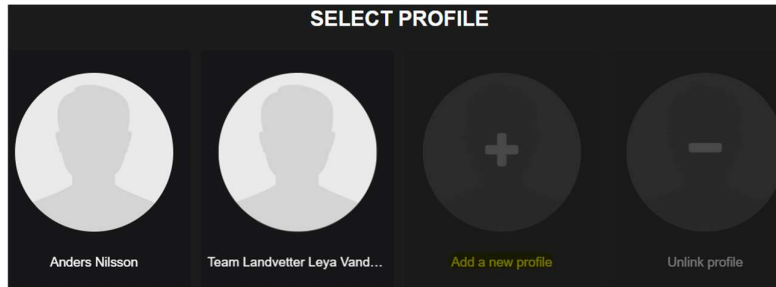

Registration and payment for the Team Kata should be made using Smoothcomp ([link to LKK Kata Open](#)). Unfortunately, Smoothcomp is not set up for Team Kata with points. To solve this, you need to do one of the following.

1. Register one person for Team Kata and write your Team name in the note box.
2. Register a new profile in Smoothcomp (see below how) and register this profile for Team Kata(preferred solution to make it more clear for the audience)

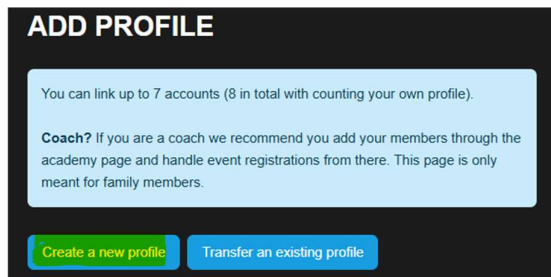

Click on your name and chose “Manage Profiles”

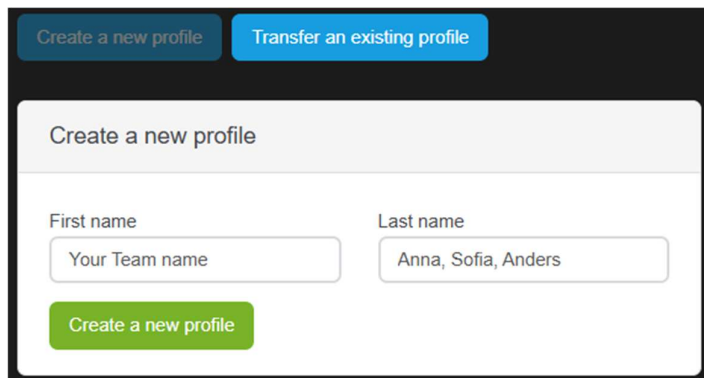

Click “Add a new profile”

Click “create a new profile”

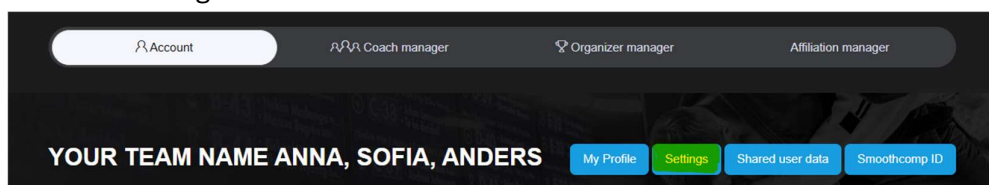

Fill in Team name in “First name” box and preferable Team members in “Last name” box and press “Create a new profile”.

Scroll down and accept the terms of service agreement

Click on Settings.

Fill in below information:

- Academy (Do this first and click “Join Academy”)
- Country
- Birthdate (so age correlate with right group (7-15 or +16))
- Gender (doesn’t matter which you pick)
- Language
- Phone number
- Click “Hide public profile”
- Add Belt/Skil (for our information)

Entry fee for Team Kata participants is 350 SEK (early bird 300 SEK before 1st of September). Latest registration date is 31st of October. Participants who cancel before 31st of October will be fully refunded and before 7th of November will be 50% refunded.

Regulations

Team Kata

A team can consist of the same gender or a mixed team (all men, all women or mixed team). A team consist of 3 members. A participant can only participate in one team.

In all three rounds the Team decide Kata. Kata should be different in all rounds. The 12 best in the first round go the second round. The points of the first round will be summated with the points of the second round and the 6 best go to the finals. The earned points after each round will be summated and the participant with the highest score wins. First, second and third place will be awarded.

During a wrong execution of a kata, participants cannot redo the kata
